

## COMING BACK FOR MOORE

We're comin' back! England!  
 Bobby was our Shining Son  
 Holding proud the trophy won  
 4-2, the score, a job well done  
 A nation's elation, BRING ON THE FUN

It's 40 years on, He's 13 years gone  
 It's Deutschland again, it's there to be won

**We're coming, we're coming  
 We're gonna make `em roar  
 We're coming, we're coming  
 Net another four  
 We're coming, we're coming  
 We're really gonna score  
 We're coming, we're coming  
 It's in the bag for sure  
 We're coming, we're coming  
 Let those Lions roar  
 We're coming, we're coming  
 We're coming, we're coming  
 We're coming back for Mo(o)re.  
 We're coming, we're coming  
 We're coming back for Mo(o)re.**

From Sir Alf to Sir Sven  
 We've got the team, we've got the men  
 Pour the drinks, I'll tell you "when"  
 It's time we beat the world again!

It's 40 years on, He's 13 years gone  
 It's Deutschland again, it's there to be won...  
 BRING ON THE FUN

**We're coming, we're coming  
 We're gonna make `em roar  
 We're coming, we're coming  
 We'll net another four  
 We're coming, we're coming  
 We're really gonna score  
 We're coming, we're coming  
 It's in the bag for sure  
 We're coming, we're coming  
 Let those Lions roar**

We're comin' back!  
 (x4 with clapping and England chant) Bobby!  
 Deutsch marks out of ten,  
 Eleven proud proud men, hey!  
 Bobby was our Shining Son  
 Holding proud the trophy won  
 4-2 the score, a job well done  
 A nation's elation, BRING ON THE FUN

It's 40 years on, He's 13 years gone  
 Now it's back to The Palace,  
 It's England Uber Alles

(Repeat chorus to fade)
